Terms of Agreement

I understand that I am booking and signing up the artist/group that's listed above. Blueprint Showcases are professionally organized and may be filmed for television broadcast, DVD distribution and or internet viewing purposes. My presentation must be high quality and represent the best performance possible! My performance does not have to be edited but only edited performances will be televised on networks who do not accept explicit material. My group must be checked in on booked showcase **no less than 1 hour prior** to the start of the event. Performance time will be given out at check in and in some cases times will be released online but this varies with each event. The event's itinerary must be followed and violators will not be able to perform! My artist/group will not be able to participate if everyone is not checked in and registered by said time! **NO EXCEPTIONS!!!!** Each member in my group must have a ticket for entry. A selected amount of tickets come with each showcase and extras must be purchased if needed. This includes artists, manager and other staff members. All participation fees must be paid in full by payment dates and all funds are non refundable. Blueprint Showcases will have a promotional vending booth and all participants will be allowed to have merchandise sold. Blueprint Showcases

will retain 40% of all sales. Blueprint Showcases retains all rights to set selling prices and will have total control of booth. Merchandise can include cd's, DVD's, t-shirts and any merchandise pertaining to the participating artists only. An individual merch booth can be purchased as an Add On and artists/groups will retain 100% of sales. I will hold Blueprint Showcases harmless of liability or responsibility for any claims of damages, losses or injuries to equipment, property or personnel.

Time Slots: Blueprint Showcases will run a tight ship regarding time allotments for showcases. When host announces performers the set time begins! Music and microphones will be faded 5 seconds prior to time ending. **THERE ARE NO EXCEPTIONS!**

Panels: Panel times are strict and Q&A sessions will be timed so everyone gets a chance to participate. Music submissions must be on a flash drive and be professionally labeled with artist name and contact info. **ONLY ARTIST/GROUP THAT SIGNED UP CAN BE REPRESENTED OR INCLUDED ON SUBMISSIONS.** If guidelines are not followed then submissions will be rejected.

Cancellations or Event Changes: In the event that our showcase is cancelled, rescheduled or moved to different location, all showcase slots will be rescheduled and original agreement will be honored. We are unable to offer refunds but guarantee that all services will be provided as per agreement. In the event that a host or industry rep cancels, Blueprint Showcases will have the discretion to replace said person with someone of equal or greater status.

I have read and understand the above information on the previous 2 pages and I agree to handle business accordingly.
